## Introduction to the CSR Policy of Miles Import

# Commitment to Sustainable Development

### Responsible Company

Miles Import is committed to importing high-quality fruits, certified through partnerships with renowned producers.

### Sustainability and Fairness

Our supply chain is sustainable, ensuring fair practices for producers and high-quality fruits for consumers.

### Environmental Goals

We integrate eco-friendly practices, aiming to minimize environmental impact at every stage.

## Miles Import's Commitments

# Social and Environmental Responsibility

### Employee Well-being

Miles Import ensures optimal conditions for the well-being of its employees and invests in the development of their skills.

### Eco-friendly Agriculture

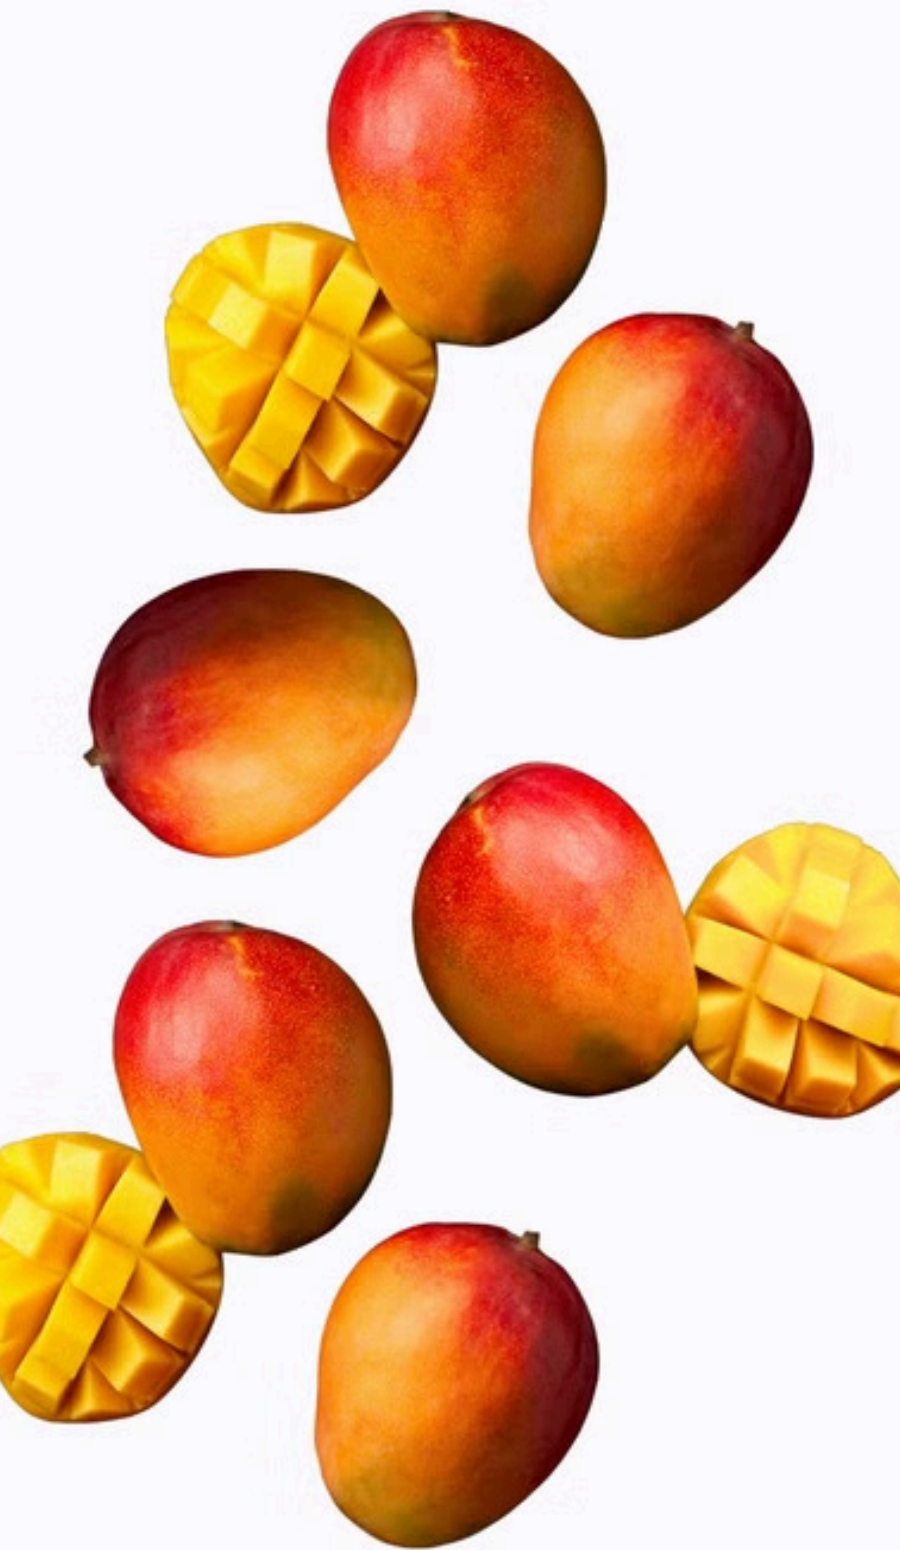

Support for producers in adopting sustainable and environmentally friendly farming practices, while anticipating the impacts of climate change.

### Responsible Consumption

Promotion of healthy eating and fruit diversity, ensuring better health and a balanced diet for consumers.

### Reduction of Environmental Impact

Collaboration with partners to minimize the carbon footprint and ensure eco-friendly logistics.

## Concrete Actions and Results

# Sustainable Products and Responsible Supply Chains

1

### Fresh Quality Fruits

Miles Import offers mangoes, grapes, pineapples, cherries, oranges, grapefruits, and passion fruits, all sourced from fair and sustainable supply chains.

2

### Sustainable Partnerships

We collaborate with GlobalGAP-certified producers, ensuring sustainable farming practices and fair trade.

3

### Reduction of Carbon Footprint

Logistical initiatives and eco-friendly innovations help reduce the environmental impact of imports.

# Commitment to Human Rights and Social Standards

## Ethics and Transparency

### Respect for Human Rights

Miles Import actively promotes diversity and inclusion in its workplace, creating an environment where everyone feels respected and valued.

### Decent Working Conditions

We guarantee a safe and fair working environment, actively combating child labor and forced labor, to create a dignified and respectful workplace for all.

### Business Transparency

We adopt strict anti-corruption policies and ensure fair competition, promoting honesty and transparency in all our operations.

Business Ethics and Transparency

# Integrity in Business Conduct

## Anti-Corruption Policies

Miles Import implements strict policies to prevent any form of corruption or conflicts of interest.

## Fair Competition

We ensure fair and transparent competition, adhering to ethical standards in all our transactions.

## Transparent Communication

Our CSR performance is publicly accessible, with clear and measurable indicators.

## Goals and Outlook (2024-2030)

# Reduction of Emissions and Sustainable Development

### 1 Reduction of Emissions

Miles Import aims to reduce its greenhouse gas emissions by 5% by 2029 through eco-friendly initiatives.

### 2 Strategic Goals

We are strengthening our efforts to achieve our CSR goals and enhance our commitment to sustainability by 2030.

# Thank you

Thank you for taking the time to review our presentation on Miles Import's CSR policy.

We are proud of our commitments and concrete actions toward a more sustainable future.

Feel free to contact us to discuss further. We would be happy to answer your questions.
